OUR STORY

Tabac Arsenal Inc. represents the latest venture within the esteemed family of companies under the Vanpak Limited and Smoke Arsenal Inc. umbrella. Established in early 2011, Vanpak Limited has built its reputation as a premier master distribution entity, specializing in importing and distributing various smoking accessories and CNG store supplies.

Complementing this, Smoke Arsenal Inc., founded in 2017, has emerged as a prominent player in the E-Commerce B2B landscape, serving retail establishments across Canada with a diverse portfolio of smoking accessories. Building upon this legacy, In late 2018, Smoke Arsenal Inc. expanded its market presence by strategically incorporating vape products into its portfolio.

With the inception of **Tabac Arsenal Inc.**, we continue this tradition of excellence, prepared to provide unmatched quality and service to our esteemed clientele.

CIGAR RING GAUGE

Size Chart

The ring gauge is measured in 1/64ths of inch, so a 64-ring cigar would be one inch in diameter. A cigar with a 50 ring gauge is 50/64ths of inch.

Ring Gauge	Width (mm)	Width (inch)	Ring Gauge	Width (mm)	Width (inch)
26	10.24	0.41	46	18.11	0.72
28	11.02	0.44	48	18.9	0.75
30	11.81	0.47	50	19.69	0.78
32	12.6	0.5	52	20.47	0.81
34	13.39	0.53	54	21.26	0.84
36	14.17	0.56	56	22.05	0.88
38	14.96	0.59	58	22.83	0.91
40	15.75	0.63	60	23.62	0.94
42	16.54	0.66	62	24.41	0.97
44	17.32	0.69	64	25.2	1
